### **Compliance with Company Policies, Procedures and Rules**

A condition of Employment as an Employee shall be, at all times, to comply with all Policies, Procedures and Rules of the Company, which include, but are not limited to: the Prolinx Integrated Management System (IMS) Manual, Prolinx Information Security Management System (ISMS) Manual and includes all Policies, Procedures and Rules specified in the Company's Employee Handbook.

### **Equal Opportunities**

Prolinx does not discriminate on the basis of race, religion, colour, sex, age, disability or sexual orientation. All recruitment decisions are based solely on qualifications, skills, knowledge and experience and relevant business requirements.

The Job Holder will understand the regulatory, fair trading and competition rules relating to their work sufficiently to be able to comply with them, relying on their knowledge or on their ability to recognise that they will need specialist support.

The Job Holder will actively support at all times company policy and best practice in the area of security, with particular emphasis on the protection of sensitive customer information. This includes the Security requirements of our customers
